

DIY Christmas Tree Ornament

1. Print the page and color it in. Cut out the template along the outline.
2. Carefully bend the triangles and “wings” with the inscription “glue” inward to the inside.
3. Cut a piece of thread to the desired length for the pendant and glue (or secure with tape) it inside the template where the dot on the template indicates.
4. One-by-one fold triangles and glue the parts marked “glue”.
5. Present to somebody or decorate a Christmas tree.
