

Print out, and carefully cut out the cards and red and green chips for the game with scissors. Read the game rules.

Recommendation for the game for 1 player: the goal of the game is to choose the right chip for each card: a **green chip** for the picture on the card that corresponds to autumn, and a **red chip** for the picture on the card that corresponds to a different season.

Game rules for 2 players: deal 8 cards to each player. Place the **green** and **red** chips on the table so that all players can reach them. The goal of the game is to choose the right chip for each card: a **green chip** for the picture on the card that corresponds to autumn, and a **red chip** for the picture on the card that corresponds to a different season.

The one who completes the task correctly the fastest wins.

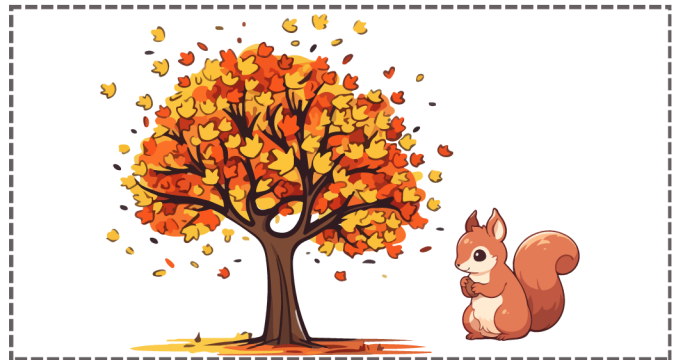

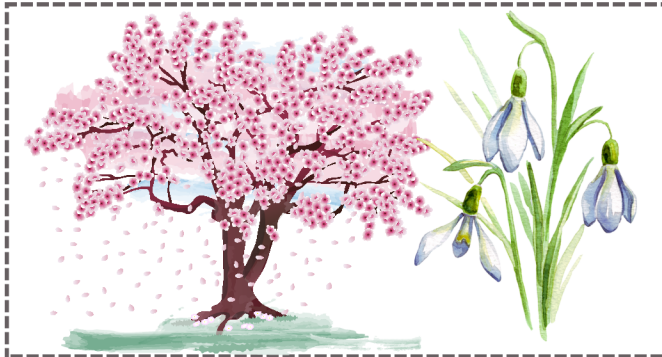

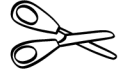

Example:

1. Do we sunbathe on the beach in autumn? - No. We choose a red chip.
2. Do we eat a pumpkin pie in the fall? - Yes. We choose a green chip.
